My GPA score is: **3.5 out of 4.0**

**My university does not provide official GPA scores, so I have calculated the above score using the calculation described below:**

**$$([A] \text{ 4.0 grade points} \times 50 \text{ credits} + [B] \text{ 3.0 grade points} \times 50 + [C] \text{ 2.0 grade points} \times 20 \text{ credits}) / (120) = \text{GPA 3.503 out of 4.00. All grades included, on conversion, First Class - A, Second Class - B, Third Class - C.}$$**

My GPA score given or calculated above corresponds to classes taken from **Sep., 2022** to **May, 2024**.

Further notes:

#### English language qualifications

**I do not need to provide any English proficiency test scores.**
